

shop·vac[®] BRAND ULTRA

Industrial duty vacs with professional style tools.

These models are designed for daily, rough usage in garages, factories, and warehouses where keeping clean means safe operation. The tanks are constructed with heavy duty stainless steel, to withstand the roughest working environments.

◀ **Convertible blower port** instantly converts your vac into a powerful blower.

◀ **Synchro feature** for dustless grinding, sanding and drilling.

◀ **Convenient tool storage** keeps tools close at hand.
